- Create a professional development plan to improve own coaching capability

Who is it for?

This qualification is designed to support individuals in the development of professional coaching skills, helping them understand and be able to apply core skills required for effective coaching practice.

This qualification is designed for individuals wishing to develop their professional coaching abilities, and who will have the knowledge, skills and behaviours to coach. They will have the professionalism to deliver impact, behave ethically and demonstrate a commitment to continual learning and development.

How is the learning delivered?

Online Live

With our online live option you will be required to attend 6 online workshops via Zoom. You will be studying alongside learners from a variety of sectors and organisations, networking and sharing experiences.

Online 3 hour day-time workshops will take place every month.

info@beprodevelopment.co.uk

Why study with BePro?

Tutor support from qualified and experienced tutors

Maximum workshop size of 25 learners to ensure an interactive learning experience in live workshops

100% pass rate

Excellent feedback from current and previous students

Qualification Objectives

This qualification introduces a wide range of relevant knowledge and expertise in professional coaching practice. It is suited to those learners who:

- are looking to develop their coaching knowledge and skills to enhance strategies for managing stakeholder relationships, communicating with impact, problem solving and decision making
- wish to practice their ability to deliver coaching that responds to the coachee need in a real working environment
- wish to develop the specialist knowledge, skills and understanding required to be a professional coach within an organisation or externally contracted

Guided Learning Hours:

It is expected that you will undertake **60** guided learning hours which we will provide through workshops, tutorials and learning resources.

Self-Study Requirements:

Alongside the guided learning hours, we recommend that you also commit to at least **180** hours of your own self-directed study. This includes reading textbooks and journal articles, listening to podcasts and reviewing trusted websites, as well as coaching practice with at least 2 individuals over a period of at least 3 sessions each.

FAQ's

What additional support is provided?

All candidates will have support from an expert CMI tutor during normal office hours throughout the duration of their programme. Our extensive library of learning materials are available 24/7.

- Tutor support – via email or online conference call (whatever suits you best).
- Exceptional and detailed course material.
- Student support team to assist with any technical or non-academical questions.

Can I pay in instalments?

Yes, we provide interest-free monthly payment options for learners who wish to pay in regular instalments. This will be set up as a direct debit so you do not need to remember to make the payments each month. There are no credit checks, however, if the monthly payment is missed, then access to the course will be suspended until payments are up to date.

If your employer is funding all or part of your course, we will invoice them directly, just let us know before you sign up. If we need a purchase order to be able to invoice, please don't forget to request this!

We are pleased to be able to accept ELCAS funding for your course. If you are looking to use your enhanced learning credits, just let us know upon enquiry and we'll help with completing the application.

Is BePro an official CMI provider?

Yes! We are an accredited CMI centre and have been since 2016. We are specialists in HR and L&D. Renowned for our impressive achievement rates and recommended for our supportive and innovative approach to learning, we are first-choice providers for professional development training.

How will I know which CMI qualification is right for me?

We offer the level 5 Award and Certificate in Professional Coaching Practice. We will ensure your chosen programme is right for you before you begin. Please call 01642 715381 to speak to a course advisor who will be able to help you make the right decision.

Will I require a CMI Membership?

Yes, at the time of registration you will receive free Affiliate membership of the CMI through the completion of your studies.

How do I enrol?

All you have to do is give one of our advisors a call on **01642 715381** or email us at info@beprodevelopment.co.uk .
